**Re: 2018 Annual General Meeting & Conferences**

Dear Members:

I hope all is well with you. I would like to start by welcoming our newest group of graduates from our 80-hour basic class in the South! Their training ended last week and we look forward to working with them as they start their journeys into the fire investigation field.

The main reason for this letter is to ensure that our members are kept up to date with what has been happening in the association. That being said, I am excited to announce that our training conference slated for March 7-9, 2018, will be held at Caesar's Hotel, Casino & Conference Center, 2100 Pacific Ave., Atlantic City, NJ, located on the boardwalk. Our site committee has worked tirelessly to make sure we get the best possible facilities for the best value for our members!

In giving a little history of the conference, we had moved from Harrah's Marina to the Boardwalk (Taj Mahal/Trump Plaza) for our International Conferences in 2001 because we needed more conference space and more hotel rooms. We landed in the Tropicana for a few years and then Caesar's for a few before returning to Harrah's Marina – always looking for the best facilities for our membership.

Caesar's will offer our membership the newly renovated Centurion Tower, upgraded conference rooms, as well as holding last year's prices.

So please mark your calendars, put in your training requests, and fill out your purchase orders for the best training conference in the country! The Board looks forward to seeing you on the boardwalk in March 2018.

Very truly yours,

**David A. Meisberger**  
*President*
