**Re: 2019 Arson Conference Sponsorship**

Dear: Sponsors

I'd like to inquire if you or your company would be willing to provide sponsorship to the New Jersey Chapter of the International Association of Arson Investigators' annual arson conference and training. As in past years, this event is held in Atlantic City, NJ. This year's event will be held at Harrah's Hotel & Casino on the Marina, Wednesday through Friday, March 6,7, & 8, 2019. This year's event will again feature some of the most experienced and professional instructors in the country, providing what we consider the premier training for the three-day event, Over the past years, our attendance has continually increased in size and last year's conference was attended by 200 plus attendees, from all across New Jersey and several from outside the east coast. We are looking for sponsors to cover lunch and breakfast for all three days, as well as the annual Ice Breaker event, being held at The Wild Wild West Saloon in Bailey's Hotel & Casino.

Listed below are the options for sponsorship at this year's event. We are giving priority to valued companies such as yours and our past vendors. If you have any questions or information once you review this, please do not hesitate to contact me. Also, any sponsorship would include signage and vendors' tables during the entire event, along with your business being placed on the Chapter's website for 1 year; the chapter would also include any handouts, or other supplied items in each attendee gift bag, [www.njiaai.org](http://www.njiaai.org). If you or your company is considering participating in this event, please forward all your contact information to me, no later than January 15, 2019, to me at [flashpoint.2000@verizon.net](mailto:flashpoint.2000@verizon.net)

**Paul Boerner,  
Event Chairman**
